## POPFASD District Partner Role (November, 2016)

After discussions with our Steering Committee, the POPFASD team has made the decision to establish a minimal set of expectations for our District Partners.

We would like our District Partners to:

**A**ttend our annual 2-day District Partner Meeting (or send a representative)

 $\mathbf{S}$  hare pertinent information from our monthly newsletters, and other resources, within your district

**D**istrict contact for anything connected to FASD and/or POPFASD.

Thank you!
