

GLITTER BOTTLES

Materials

- Soft plastic bottle
 - Recommend: 0 Calories (Western Family) or Zero Calories Cascade Ice from Save On
- Elmer's washable clear school glue (147ml bottle – Wal Mart \$1.56)
- Creatology glitter (2 oz/56.7 g bottle should do three bottles – Michaels)

How to:

- empty bottle, remove label (Goo Gone works well to remove any residual stickiness – put some on and leave for half an hour, rub off and wash).
- Pour about 1 cm of glitter into the bottle
- Add hot or warm tap water, only about ½ full
- Pour glue in SLOWLY – pour until you have about 2.5 cm of glue left in Elmer's bottle)
- Add more hot or warm water to fill
- Crazy glue lid on
